Going Once, Going Twice...SOLD!

On Thursday, June 10, Mrs. Weinblatt's class is having an auction!

Since the beginning of the 4th quarter, every student has been able to earn points every day that we will use for money in the auction. If a student is disrupting the class, they

don't get any money that day. If the student keeps causing a problem, half of a day's worth of money is subtracted. We get money for behavior, and we also get money if we get all of our assignments done.

At the auction, we will be betting for things

like candy, maybe some board games, and possibly some of Mrs. Weinblatt's old equipment.

This auction is an event that is held every year in Mrs. Weinblatt's class.

This is Brittany standing by the greenhouse.

Tomatoes in Winter?

Guess what? Driftwood school now has a greenhouse!

Mrs. Weinblatt's daughter, Melissa

Weinblatt, is the highschool woodshop teacher. A few of her students built a plastic-topped greenhouse for our garden program. We

will use the greenhouse to grow warm weather plants, like tomatoes, during the cold months. Thank you, woodshop students!
