BEEP News: Mr. Betz reports that his class caught an adorable wood rat in a live trap on the BEEP Project and released it yesterday! Also, the beavers are back and successfully chopped down a redwood tree that students planted 13-15 years ago. Brenna and Gina have been busy doing an awesome job catching frogs and waterdogs, identifying and releasing them.

Kindergarten registration is today. Next year kindergarten will be at Driftwood School only but will be offered all day rather than just mornings.

The 7th and 8th graders are reminded to turn in their "emergency information/permission sheet before boarding the 8:30 bus tomorrow morning to the South Slough Sanctuary and to the Sixes River Watershed in the afternoon. The day will end for 7th graders at 9:00 p.m. after dinner and a bonfire at Blanco. Your parents will need to pick you up at that time. 8th graders will remain at Blanco overnight to make observations on the BEEP Project. Again, turn your permission forms in no later than Thursday.

8th graders are reminded to turn in your childhood photos for the power point presentation on June
