

Port Orford/Langlois School District 2CJ Board and District Goals 2023-2024

1. **Community Involvement: The District will work to bolster community relationships via:**

- a. Communications
- b. Development of community partnerships

How:

- Artifacts indicative of incoming community engagement
- Surveys showing growth over time

Expected Result:

- Increased number of students in CTE
- Increased number of community organizations involved in school programs

Timeline:

- Two-year goal with annual review in June

2. **Work Force Issues: District Superintendent will review recruitment/hiring process to attract highly qualified staff.**

How:

- More applicants will be available for open positions

Expected Result:

- New hires reflecting broader range of experience and cultural diversity
- Positions filled by beginning of school year

Timeline:

- Five year with annual review in February through April

3. **The District will review student achievements using longitudinal performance growth targets and identify areas for targeted interventions.**

How:

- Via multiple district-adopted assessments

Expected Result:

- Continual growth in student achievement for all students

Timeline:

- One year goals with annual review in June and January
