*Title*

**Math/Science Teacher**

*Description*

This position is a full - time Math and Science teaching position located at Pacific High School in Sixes, OR, available immediately.

The certified staff member under the general supervision of the building principal/vice principal performs a variety of tasks, with major responsibility being the instruction and supervision of students.

A successful applicant should be able to teach general science and math courses, specifically for the middle school grades and lower level high school grades, as well as remedial math courses. This position will also work with the building administration and colleagues to collaboratively create STEM elective courses as class offerings for students. A successful applicant also must hold a valid license from TSPC with proper endorsements, or the ability to get the proper endorsements, for these areas.

A sense of humor and genuine love for working with all students is a necessity. This position requires initiative, a willingness to seek out opportunities for growth, and a willingness to work both individually and collaboratively with other teachers and administrators.

#### **Major Job Responsibilities:**

1. Demonstrated ability to design instruction based on CCSS, NGSS and other content standards.
2. Demonstrated understanding of research-based instructional strategies and assessment practices that support effective instruction.
3. Recent successful experience working with educators in demonstrating and modeling effective instructional strategies and assessment practices.
4. Demonstrated knowledge of needs of diverse learners and strategies for addressing these needs.
5. Demonstrated use of assessment data to prepare for instruction and for the setting of SMART goals.
6. Demonstrated understanding of successful classroom management strategies.
7. Evidence/demonstration of use of technology to enhance student learning or willingness to learn.
8. Demonstrated organizational skills and commitment to follow through on tasks.
9. Demonstrated ability to establish and maintain excellent working relationships with students, teachers, school administrators, support personnel, and community members.
10. Demonstrated ability to effectively communicate orally and in writing.

In addition, a successful applicant will have the ability to keep and maintain accurate attendance, academic, and behavior records, meet deadlines set forth by the school and district administration, and preserve a high level of ethical behavior and confidentiality when dealing with student, staff and/or parent information.

The district provides professional development opportunities both within the and outside of the district.

Teachers may transfer up to 10 years of experience.

Extracurricular opportunities may be available for high school and/or junior high school sports and activities.
