

**PACIFIC HIGH SCHOOL BULLETIN**  
**April 14th, 2025**

Peaceful school participants that are going to the rotary luncheon, please be sure to turn in your permission slip asap.

Rotary has applications to the RYLA summer camp available at the office.

Congratulations to Stella and Skylla for winning the book reading challenge last week.

Hey students in grades 9–12,

Still need to finish up your community service hours? Here’s an easy way to get that done without leaving campus. Pacific High School has some opportunities available through the Horticulture class, run by our very own Ms. Tomko. These tasks can be done after school (transportation provided via school bus ) or on the weekend.

Here’s what’s needed:

1. Assemble a rabbit pen (the rabbits would probably appreciate it).
2. Set up watering for the hugelkultures (yes, it's a real thing).
3. Install watering in the greenhouse (plants need water—who knew?).
4. Chip branches (once the chipper is working again—no promises).
5. Add drainage pipes in the pig area (because pigs aren’t known for cleanliness).

If you're interested or just want to knock out your hours, talk to Ms. Tomko for more info and scheduling. She'll get you set up.

**This Weeks Meals**
