The after-school program will be making savory and sweet Empanadas on Wednesday, April 24<sup>th</sup>. There will be an activity bus and as always it is free to attend! Check your email to sign up!

Attention any student needing community service hours

The Zion Lutheran Church and Common Good Food Bank are looking for students willing to help work in the patio area. A retired botanist will be directing the project, helping students remove brush and prune plants. Students interested in this project would meet at the Lutheran Church on Wednesday, April 17<sup>th</sup> right after school (about 3:45ish) to finalize a work plan. It is possible work will start that afternoon followed by further work sessions on Friday after school. If you are interested in getting outside and tackling some brush, while helping out the community, contact Ms. Bonita.

After School Tutoring is Mondays and Wednesdays with Mr. Taylor. Snacks will be provided and you can ride the activity bus home. This year there will be a raffle every grading period for those students who attend (one ticket per session).

Lunch Today: Corn Dogs, Tater Tots, Salad Bar and Milk.

***Riddle for the Day: I shave every day, but my beard stays the same. What am I??***
