

Summer Enrichment Camps

Your student's guide to a great summer!

Each camp will provide breakfast at 8:30 am and lunch at 12 pm free to all students ages 18 & under

Robotics STEM Camp

This camp is designed for students in upcoming grades 5th - 9th to learn the basics of robotics and computer programming using Lego based materials and curriculum. There will be three sessions of this camp. Each session is 1 week, at Driftwood, Monday - Thursday, 8:30 AM - 12:30 PM. Starting June 27th.

Gardening Camp

During garden camp, upcoming 3rd - 6th grade students will learn about plant science, practice garden stewardship, and learn about the local environment. Campers will also engage in art and mindfulness in outdoor spaces. No previous experience or materials are required to be a part of this program! The Gardening Camp will at Driftwood and will run from Monday, July 25th - Thursday, July 28th, 8:30 AM - 12:30 PM.

Basketball Camp

This camp is for students who will be upcoming K-9th graders. Players will learn drills to improve basketball skills and techniques, sportsmanship, how to be a good teammate, and much more! The camp will be at PHS and run from Monday, August 1st - Thursday August 4th, times TBD.

Soccer Camp

This camp is designed for students who will be upcoming K-9th graders. Players will learn and improve the basics of soccer, how to play as a team, and more! The camp will be at PHS and run from Monday, August 8th - Thursday, August 11th, times TBD.

Soccer Camp: August 8th-11th

****Because space is limited, it is expected that students attend all days of the session they are signed up for, unless prior notice is given to program staff. If student misses more than 2 days, they will be dropped from the program.****

I understand the attendance requirements for the summer enrichment camps and understand that if my student will be absent, it is my responsibility to contact program staff or risk that my student will be dropped from the session.

This application for the Summer Enrichment Camp does not guarantee enrollment in the program. You will be notified to confirm registration.

Parent Name: _____ Parent Signature: _____ Date: _____

Thank you for completing this application. Registrations are accepted on a first come, first served basis, based on the date that applications are received in the Driftwood office. If you have questions please email brittany.figueroa@2cj.k12.or.us. Parents will automatically be added to the Summer Camp **Remind** as a way of communication for updates and changes.
